

Fatma Ahmed

Full-stack Developer

Egypt | fatmaata718@gmail.com | +201207132301 | portfolio: <https://myportfolio0.vercel.app/>

PROFESSIONAL SUMMARY

Full-Stack Developer proficient in **React, Node.js, and Laravel**. Experienced in building scalable web applications and **IoT** systems, with a proven track record of delivering certified projects (**Pearson**) using **SQL/NoSQL** databases and modern **Tailwind** styling.

EDUCATION

- **New Technological University** | *Bachelor of Technology* | (Expected) 2025-2029
- **WE Applied Technology School** | **Graduated: 2025**

SKILLS

- **Languages & Tools:** JavaScript, PHP, Python, C, Git, GitHub, VS Code.
- **Web Technologies:** React.js, Node.js, Laravel, Tailwind CSS, Bootstrap, MySQL, MongoDB.
- **Soft Skills:** Problem-solving, effective communication, teamwork, time management, and adaptability to new technologies.

Projects

- **Competition System | PHP & MySQL**
 - Designed and implemented a secure competition platform with automated scoring logic.
 - Certified by Pearson to meet high technical standards and ensure code quality.
- **SmartHome Dashboard | React.js**
 - Developed an interactive real-time dashboard for monitoring and controlling IoT devices using React hooks.
 - Focused on responsive design and seamless user experience across multiple screen sizes.
- **Robomart | Node.js & MongoDB**
 - Built a scalable RESTful API backend for an e-commerce platform.
 - Utilized a NoSQL database (MongoDB) for efficient data management and optimal performance.
- **Disney Hub | React.js**
 - Created an immersive web experience with high-end UI components and complex CSS animations.
 - Emphasized clean code and component-based architecture for maintainability.

CERTIFICATIONS

- IBM: React.js Professional Certificate.
- Cisco: CCNA (Basic Hardware & Networking).
